Tim's Journal

Mon

Took Tim his favorite cereal, Cap'n Crunch. He's not sure about giving a speech to his class.

Helped Tim with speech. Told him to pick a topic he enjoys. Tim picked mountain bikes. We had a bowl of my delicious cereal.

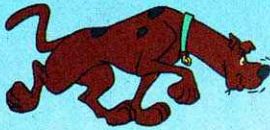

Tim's speech is getting better. Got him to imagine his audience in their underwear. So he wouldn't be so nervous. Brought Tim 2 more boxes of crunch. He loves that sweet crunchy taste!

Tim can't wait to give speech. Maybe all he needed was to crunch up his confidence. Cleaned my room. Have to stop eating my cereal in bed.

Tim's speech was terrific! Got applause from the whole class. I knew he could do it. Weekend! Time to go to national speed box races!

You and the Cap'n make it happen!

HANNA - BARBERA

Flintstones #1! America's Most Wanted!

In Fred Flintstone's first appearance in an original comic book in more than 20 years, the world's most famous caveman is wanted for assault and robbery.

"I'm so humiliated," cried Wilma Flinstone, when told of her husband's antics. "Thanks to the terrific job Archie Comics has done in bringing out these new books, everyone will read about what Fred has done!."

No one at Archie Comics, Hanna-Barbera Productions, or Turner Publishing would comment on the matter. "See for yourself," said one executive who refused to be identified. "By the way," he added, "in that same issue, Fred becomes the mayor of Bedrock and the head of his own Flying Circus!"

The man suddenly became quiet. "I believe I've said too much," he uttered. "This issue is too fantastic to describe. As I said before, you'd better see for yourself."

Scooby-Doo Has Monster of a Time!

Check your newsstands next month for the return of the Scooby-Doo gang! It's the first new comics from your favorite teen-age detectives in many years. Shaggy, Fred, Velma, Daphne and (big fanfare!) Scrappy are on their way to bigger, better and funnier adventures.

And check out that cover! It's sure to be a collector's item. Done by superstar artist Lee Weeks it will set you back on your heels. (We're giving you a month's start...so you'd better order it today!)

H-B All Stars Next Month!

Be on the lookout next month for the Hanna-Barbera All Stars, an incredible collection of Hanna-Barbera heroes!

Featuring all new stories from the Flintstones, Yogi Bear and Magilla Gorilla, this is a mixed bag of fun that you won't want to miss. Join in the adventures as Fred loses the kids, BooBoo takes over Jellystone Park and Magilla becomes a used car salesman! (Then it really gets wild!)

Future issues, by the way, will feature Quick Draw McGraw, Huckleberry Hound and Top Cat! And perhaps some surprise visitors...?

Cave Drawing By Sinkiewicz

The premiere issue of the new Flintstones comic book features a fantastic cover by super fan favorite Bill Sinkiewicz.

Asked to do the first cover of the series, Sinkiewicz obliged with this hilarious rendition of a cave drawing starring the bombastic caveman.

Sure to be a hot collector's item, this book is on shelves now!

Jetsons #1 Jetsons Meet Their 1st Dinosaur!

Venture to Journey Back Park--where the Jetson's dream vacation turns into a nightmare!

This first Jetsons story in 20 years is an immediate classic! George Jetson was thrilled when asked to comment. "You won't believe who shows up in this story," he laughed. "Some fat caveman named Fred Flintstone and his pal Barney Rubble. Flintstone? Rubble? What will they think of next?"

The same issue includes, "Johnny Space Cadet," an incredible adventure in virtual reality, and "A Hard Dog's Day," which takes George to Galaxy's End, where he meets monsters, a black hole and space pirates! And that's just for starters.

See Fred's Comic Rock Collection!

That's right! Fred's own comic rock collection---including that unchipped copy of Captain Caveman #1--is on view next month as Wilma orders her comic-crazy husband to get rid of them and give the family more room in the garage. (Sound familiar?)

Fred goes slightly berserk and what happens is music to the ears of every comic fan. (And pure art to his eyes!) "Comic Catastrophe" will be the talk of your town. So will "Bedrock Hills, 70130 B.C." (Wonder what that's about?) and "When Men Were Men." And you thought you were having a good time when you saw the Flintstones movie!

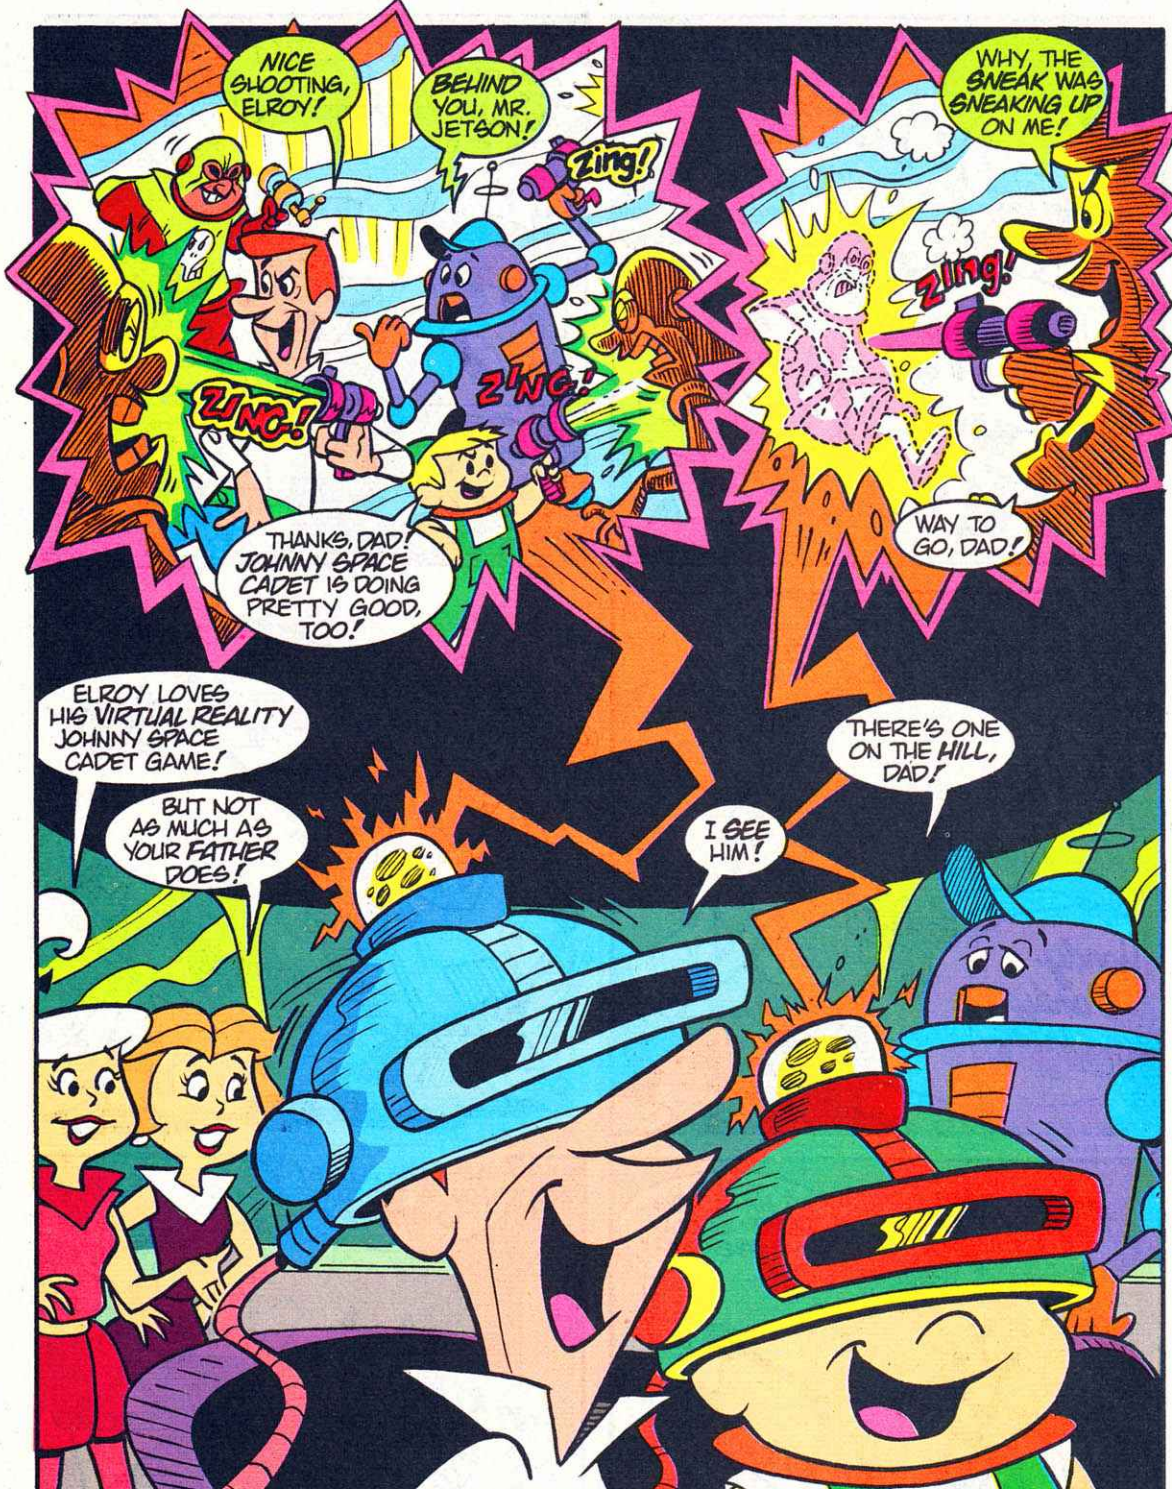

Test Your H-B I.Q.!
